The Links for Life Annual Gala and Pro-Am
Golf Tournament supports the mission of the
organization by:

- Providing an organization to benefit persons
and families affected by breast cancer.
- Challenging each woman in Kern County
to be aware of her breast health and
promote support for those affected.
- Educating the general public about breast
health and providing funds for research.

Encouraged by our accomplishments to date,
we are determined to continue to battle against
breast cancer by meeting the needs of the
community in which we live.
