

18th Annual Gala and Pro-Am Golf Tournament

The Links for Life Annual Gala and Pro-Am Golf Tournament supports the mission of the organization by:

- Providing an organization to benefit persons and families affected by breast cancer.
- Challenging each woman in Kern County to be aware of her breast health and promote support for those affected.
- Educating the general public about breast health.

Encouraged by our accomplishments to date, we are determined to continue to battle against breast cancer by meeting the needs of the community in which we live.
