Life goes on and so does the once Business & Charity Golf Link. Third time must be the charm. In 1992, the Business & Charity Golf Link was born, it gave way to Link to Life in 1998, now in 2006, we will now be know as "Links for Life". The future is great for the organization, growth as once more taken over and your board has found it to be necessary to change our name. It represents numerous "LINKS" and services in the Kern County communities. Check out our new website: [www.linksforlife.org](http://www.linksforlife.org) The newsletter, events, services information along with how you can help in your hometown community. I am proud of what we have accomplished and I am looking forward to what will be achieved for the women of Kern County in the coming years.

Sharyn Woods, CEO & Founder
